R. Ranga Rao, Esq., B.A., B.L.,

Chief Secretary to the Government of His Highness
the Maharaja of Mysore,

Bangalore. ~~Department.~~

SIR,

Water supply to Thornahalli Jatra, Lalur Taluk.

In forwarding herewith a copy of letter No. A2-C.1648/33-34 dated 5-1-1935 received from the Deputy Commissioner, Kolar District on the above subject, I have the honor to state as follows:-

An estimate for Rs.7000/- prepared by the Sanitary Engineer for pumping water from one of the existing private wells was re-submitted by the Deputy Commissioner for sanction. As it was considered that the deepening of the Hondas would be more economical, estimates for the same were called for. The amount of the estimate for this also came up to Rs.7554/-. Mr. Madhava Rao inspected the place in company with the Director of Health and the Executive Engineer and found that it was not worthwhile spending this heavy amount on deepening of the Hondas as one of the two Hondas, at any rate, was found not to collect sufficient water. The Deputy Commissioner was requested to take up the scheme for water supply through pipe line (from one of the private wells for this year) and complete it before the next jatra in view of the apprehension of cholera infection.

In the circumstances stated above and in view of the fact that the owner of the well is agreeable to the use of water for receiving a compensation of Rs.35/-, I request the sanction of Government may be obtained to the estimate of Rs.7000/- the cost being met from the funds at the credit of the institution.

In anticipation of sanction, the Deputy Commissioner has been asked to proceed with the work and this may also be approved as the jatra will commence on the 20th instant.

The entire file is enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

Mamul

For Muzrai Commissioner.

Absent from station

nm

Encl.

In the circumstances explained by me the estimate Rs 7000/- prepared by the Sanitary Engineer for pumping water from one of the existing private wells through a line to the Naha pond at Torana halli Madhu. It has been sanctioned, the cost being met from the funds at the credit of the Sri Soppalamma Devam to be paid at the place; the action taken by the M. in having after the due to proceed with the work (as the jatra commences on the 20th inst) may be approved.

of the Muzrai dated 5-1-35 from the D. C. to the Muzrai Commissioner in Mysore.

Subject:- Water supply to Chinnahalli Jatra - 1st Jan 1935

With reference to your office D.O. letter D.O. 384/44-55 dated 25-1-35 re. the above, I have the honor to forward herewith the list of correspondence dealing with the matter and also a report D.O. 27/30-1-35 dated 1-1-35 to request you to kindly approve the original scheme for pumping water from the well and laying out pipe lines. The owner of the well has claimed Rs. 5/- as compensation for using the water. The Amildar states that this amount is to be given to the owner of the well. This may also be kindly approved. As the Jatra commences from the 20th instant the favour of immediate orders are requested. The original estimate enc., prepared by the Engineer, Purnea of Santhal, engineering, is also enclosed.
